The Black Bar @ Rocket

The Black Bar is a seductive gold and black cocktail lounge.

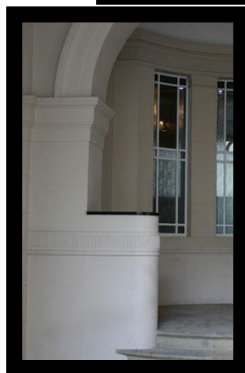

It is suitable for drinks parties from 10 up to 70 people. You can book an area for a small group, or have its exclusive use for larger private parties.

We have a large 80" screen and projector for sporting events and/or business meetings.

We are happy to arrange special events such as wine tastings, cocktail making parties and other themed events such as Las Vegas parties, complete with Black Jack tables and croupiers.

Guests in our Black Bar are more than welcome to spill out onto the outdoor terrace at the back of our building.

Our Top Floor Restaurant

Light and spacious with wooden floors, Rocket's top floor restaurant is comfortable and suitable for many occasions, from a discrete business meeting to a reunion with friends.

Circular tables, ideal for business meetings, are available in the main restaurant for parties of 6 to 8.

Further combinations can be made and we can accommodate up to 25 people on one table.

For larger seated parties there are two areas which can be reserved separately. The main restaurant, that can seat 85 in total, and our private 'Pink' room which is perfect for parties of up to 30 people.

It is possible to reserve both rooms and we can clear them so that they are suitable for events, such as disco parties, for up to 350 people.

Our restaurant is open for lunch and dinner every day from Monday to Friday.

Ground floor bar and Terrace

Due to popular demand, we do not take reservations for our ground floor bar.

We operate on a walk-in or first-come first-served basis.

However, the Ground floor Bar and Terrace can be hired for private parties over the weekend.

It can seat up to 64 people inside and out and has plenty of standing room.

The Ground Floor Bar offers a special lunch menu every week.

We also have a selection of our à la carte dishes on the bar lunch menu.
